Collaborative Learning: Tourism & Hospitality and Palauan Studies

contributed by Tourism & Hospitality Instructor Ltelatk H. Fritz

HI-189: Palauan History & Culture and TH-110: Tour-Guiding & Travel Planning students at Ulong Island with their instructors and Koror State guides.

“Exciting and Fun!” “Astonishing!” When instructors hear such words from students describing their learning experience, it is quite rewarding and inspiring. These are actual responses from students in HI-189: Palauan History & Culture and TH-110: Tour-Guiding & Travel Planning that participated in an educational excursion to Ulong Island made possible through the partnership with the State & Cultural Affairs Department of Koror State.

Instructors Elicita Morei (Palauan Studies) and Ltelatk H. Fritz (Tourism & Hospitality) headed the field trip to Ulong Island to learn more about its history and heritage. Five sites were visited on and around Ulong including “Llecheklel a Orachel” and “Ollumel”, the ship’s renovation site and monument. Students learned a lot from researcher Phedias Brel who was the Site Guide from the Koror State Government. Students benefitted from the priceless information about the excavation process and archaeology of each site visited. The State & Cultural Department Program Coordinator Bethwel Emul was also present during the tour to complement the sharing of experiences. **ULONG ISLAND, CONTINUED ON PAGE 3**

Yap SDA School Visits PCC

On Wednesday, April 02, 2014 the campus of Palau Community College (PCC) was visited by a group of high school students from the Seventh-Day Adventist (SDA) School in Yap. The students, accompanied by their teacher, explored PCC as part of their college experience tour. During their visit, the students were able to learn more about the programs available at PCC as well as visit the different learning areas, such as the Palau Tourism & Hospitality School of Excellence building and the vocational shops.

Yap SDA School opened on the island of Yap in 1987. The learning provided at Yap SDA School is based on the Christian beliefs of the Seventh-Day Adventist religion. Taught mostly by student missionaries, students attending Yap SDA School learn to integrate their faith in their daily lives whether it be in pursuit of academic excellence or performance of civil duties.

PCC Mesekiu Bai Undergoes Renovation

Maintenance workers renovating the PCC Mesekiu Bai.

Mesekiu Bai, a prominent fixture on the Palau Community College (PCC) Campus, is currently undergoing renovation. The reovation entails replacement of wooden posts with concrete, replacement of wooden benches, repair of the thatch roof, and retouching of the painting of local legends on interior beams and outside gables. Thanks to the Maintenance Crew for their hard but delicate work!

Graduation Meeting with Students

The Usher & Practice Sub-Committee of the Palau Community College (PCC) 2014 Graduation Committee conducted a graduation meeting at the PCC Assembly Hall with graduating students on Tuesday, April 01, 2014. During the meeting, students graduating this May were informed about the aspects of the commencement exercise. Included in the meeting were discussions about graduation invitations, caps, gowns, and fees; the selection of two graduation masters of ceremony (MC); the graduation music for marching in and marching out; the schedule for graduation practice; and the graduation day scheduled for Friday, May 23, 2014.

Graduates attending the meeting decided that PCC will supply each graduate with five invitations. The invitations were to follow the same format: vertical with three folds. These invitations are to be picked up at the Registrar's Office on May 19, 2014. Graduation practice was scheduled for a three-day period starting on Tuesday, May 20, 2014 to Thursday, May 22, 2014. Graduating students were also informed about the proper manner of dress for the ceremony.

Condolences

Palau Community College (PCC) would like to express its deepest condolences to the family of Pasqua Ikeyar. Ms. Ikeyar graduated from PCC in 1979 with a Certificate in Agricultural Science. She was also a PCC Instructor and mother of PCC Student Trustee Dizzette Dolmers. Our hearts go out to her family, especially Trustee Dolmers. We keep you all in our thoughts and prayers during such a difficult time.

On the second part of the learning adventure, tour-guiding students led their "guests" to popular tourist areas. The practice allowed the tour-guiding students to demonstrate their interpretation skills. Sites visited included snorkeling at Rose Garden, viewing of the giant clams at Ngchelobl, and enjoying the natural wonder of the Milky Way.

Instructor Morei and Instructor Fritz would like to extend their gratitude and appreciation to Ibedul Yutaka Gibbons and the House of Traditional Leaders; Koror State Governor Yositaka Adachi, Director Scott Yano, Program Coordinator Bethwel "Betz" Emul, Researcher/Guide Phedias Brel, Researcher/Guide Ray Isao; and the staff from the college. Thank you all for making this trip possible!
