

Assessment Impact by Course Objectives
Palau Community College
Program (CPH) - Community & Public Health

Program (CPH) - Community & Public Health

CLO: CPH 299a - Public Health Research Project - Part 1: CLO 1

Describe and define the multiple steps involved in a Research Process.

CLO Assessment Cycle: 2014-2015 (Fall 2014)

CLO Status: Active

Means of Assessment			
Means of Assessment	Expected Student Performance	Notes	Active
Demonstrate understanding of the multiple steps involved in a research process.	70% of the students assessed will perform at the proficiency level.	The CPH program is a new program and this course has not been offered yet. 2/6/16	Yes

Results			
Summary of Data Collected	Use of Results	Follow-Up	Semester Assessed
No Results reported.			

CLO: CPH 299a - Public Health Research Project - Part 1: CLO 2

Elaborate on the importance of identifying and developing a research question.

CLO Assessment Cycle: 2014-2015 (Fall 2014)

CLO Status: Active

Means of Assessment			
Means of Assessment	Expected Student Performance	Notes	Active
Demonstrate understanding of the importance of identifying and developing a research question.	70% of the students assessed will perform at the proficiency level.	The CPH program is a new program and this course has not been offered yet. 2/6/16	Yes

Results			
Summary of Data Collected	Use of Results	Follow-Up	Semester Assessed
No Results reported.			

CLO: CPH 299a - Public Health Research Project - Part 1: CLO 3

Describe and discuss a literature review as well as the drafting of a research proposal.

CLO Assessment Cycle: 2014-2015 (Fall 2014)

CLO Status: Active

Means of Assessment

Means of Assessment	Expected Student Performance	Notes	Active
Demonstrate understanding of the purpose of literature review and drafting of a research proposal. Signature assignment: Test	70% of the students assessed will perform at the proficiency level.	The CPH program is a new program and this course has not been offered yet. 2/6/16	Yes

Results

Summary of Data Collected	Use of Results	Follow-Up	Semester Assessed
No Results reported.			

CLO: CPH 299a - Public Health Research Project - Part 1: CLO 4

Describe and discuss different research methods and data collection systems.

CLO Assessment Cycle: 2014-2015 (Fall 2014)

CLO Status: Active

Means of Assessment

Means of Assessment	Expected Student Performance	Notes	Active
Demonstrate understanding of different research methods and data collection systems. Signature assignment: Test	70% of the students assessed will perform at the proficiency level.	The CPH program is a new program and this course has not been offered yet. 2/6/16	Yes

Results

Summary of Data Collected	Use of Results	Follow-Up	Semester Assessed
No Results reported.			

CLO: CPH 299a - Public Health Research Project - Part 1: CLO 5

Demonstrate proficiency in selecting and applying a research method.

CLO Assessment Cycle: 2014-2015 (Fall 2014)

CLO Status: Active

Means of Assessment

Means of Assessment	Expected Student Performance	Notes	Active
Demonstrate proficiency in selecting and applying a research method.	70% of the students assessed will perform at the proficiency level.	The CPH program is a new program and this course has not been offered yet. 2/6/16	Yes

Results

Summary of Data Collected	Use of Results	Follow-Up	Semester Assessed
No Results reported.
