Final Exam - 12/21/2015 - 70% (14 of 20) of students assessed reached proficiency level. Expected Student Performance Met: Yes Related Documents: EN 109 CLO 1 - L1.2.3.4.zip	12/21/2015 - Students reached expected proficiency level compared to previous fall 2014 semester. Instructor will continue with additional readings and exercises for better comprehension, and make sure to increase the percentage of proficiency level reached.		2015-2016 (Fall 2015)
Final Exam - 12/22/2014 - 54% reached proficiency level Expected Student Performance Met: No Related Documents: EN 109 F 14 - CLO 1.4-3-2-1.PDF	12/22/2014 - The low proficiency achievement is, I believe, partly due to this instructor. This semester she contracted several viruses and had to be absent. As a result, objectives were not as thoroughly covered as they should have been. The other part is perhaps due to the final exam covering objectives that were learned in the early part of the semester. A more thorough coverage of objectives need to be done, and revisited throughout the semester so that students don't easily forget. Additionally, this instructor plans to review the signature assignment and perhaps break it up so students are assessed throughout the semester.		2014 - 2015 (Fall 2014)
Final Exam - 02/04/2014 - 60% (9 of 15) performed at the proficiency level. Expected Student Performance Met: No Related Documents:	02/04/2014 - More practice and exercises must be stressed on the paraphrasing and summarizing of selected readings for better comprehension.		2013 - 2014 (Fall 2013)
