MAP Training Graduation Ceremony

PCC President Dr. Patrick U. Tellei, Dean Robert Ramarui, and the students and teachers of the Maintenance Assistance Program training following their certificate awarding ceremony at the PCC Assembly Hall

Friday, July 13, 2018 Eleven (11) Palau Community Action Agency (PCAA) Head Start Program staff were on hand to receive Certificate of Completion from Palau Community College (PCC) Maintenance Assistance Program (MAP). The training participants underwent three basic training modules in Automotive Servicing & Preventive Maintenance with instructor Nobby Enano, Basic Air-Conditioning Maintenance with instructor Julius Omila, and Basic Plumbing taught by Mr. O'Hara Skebong. The training instructors discussed training modules and learning outcomes with trainees and guests.

On hand to award the certificates to training participants and to commemorate the ceremony with opening remarks was PCC President Dr. Patrick U. Tellei who thanked all the participants for a job well done and for all their hard work leading to successful completion of the training. Also present was Dean of Academic Affairs who coordinate the training to meet the needs of PCAA-Head Start Program staff. PCAA-Head Start staff who successfully completed the training were Ann Sissior, Bill Kloulechad, Dwayne Isaac, Gathyllynn Yamanguchi, Hosei Setsuo, Melynta Iramk, Robin Spis, Rodney Dudiu Pasqual, Senovio Sekool, Telly S. Heno, and Wayner Gabriel.

PNSB Internship Forum

Thursday, July 12, 2018: The Palau National Scholarship Board (PNSB) held its third internship forum at the Assembly Hall of Palau Community College (PCC). The internship forum featured students who had participated in the 2018 Palau Fellowship Award Program. An eight-week paid internship program, the Palau Fellowship Program is an opportunity for students to learn about Palau's workforce. A majority of the students who participated in the internship program are currently enrolled in post-secondary education institutions outside of Palau. The program allowed the students to learn about various local agencies and how they contribute to the overall function of Palau's community. In addition, the students were able to contribute to the improvement of Palau's workforce by applying the skills and knowledge

Upward Bound Field Trip to Iklong River

Upward Bound Science Students Visit Iklong River/Watershed Area in Ngchemiangel Hamlet of Aimeliik State

Friday, June 29, 2018: PCC Upward Bound Program students with their Science Teacher Meiang Chin, office staff, and officers from the Palau Environmental Protection Board (EQPB) went on a field trip to Aimeliik State to visit a watershed area in Ngchemiangel Hamlet. The group of students consisted of high school freshmen, sophomores, and juniors who are enrolled in summer science classes with the Upward Bound Program.

The purpose of the field trip was to allow the students to see first-hand what a watershed environment actually looks like and hear from EQPB officials talk about the importance of a watershed to the livelihood of people who live in the area.

The PCC Upward Bound Program staff and Science teacher Meiang Chin thanked the EQPB Director Roxanne Blesam and her staff for their assistance on this field trip. Additional thanks to Governor Demei Obak of Aimeliik State and residents of Ngchemiangel Hamlet for the permission to visit.
