PCC CTE Awareness Week

Campus Evacuation Drill

Inset right : PCC CTE lab School instructor Bradley Augustine and students providing CTE Lab School program information

Palau Community College (PCC) hosted the Annual Career & Technical Education (CTE) Awareness Week from March 13 to March 14, 2019. The awareness week is an opportunity for the college to showcase and promote its programs to elementary and high school students as well as community members. Students from the elementary schools and high schools of Palau participating in the program visited all the technical education programs offered at the college. There were nine (9) CTE programs for display. College faculty members and program students demonstrated and displayed projects as part of student learning outcomes. This year, over three-hundred (300) students from the local elementary and high schools participated in the CTE Awareness Week hosted by the college. Participating schools were Palau High School, Belau Modengkei School, Mindszenty High School, Maris Stella Elementary School, Melekeok Elementary School, Seventh Day Adventist School,

PCC Child Care students and teachers participated in the College Evacuation Drill

On Friday, March 08, 2019 Palau Community College (PCC) conducted an Announced Evacuation Drill to all upper campus staff and students. The main purpose of the drill is to have all staff and students move to designated safe areas of the college away from imminent threat to the lives or property of the college such as fire, hazardous materials, or contamination. With the assistance from the 26th Law Enforcement Academy cadets and the college Emergency Preparedness Task Force members, the college evacuation drill was carried out effectively. According to PCC Emergency Preparedness Task Force chairman, there will be another evacuation drill to be conducted on campus which will be unannounced. PCC thanks all staff and students who participated in the evacuation drill and reminded everyone to read their Emergency Operation Plan.
