

Student Service – Student Life – Recreation

Mission Statement: Recreation provides co-curricular activities and athletics program to promote healthy life styles and foster leadership skills.

Assessment of Unit Goal – Extra Curricula and Sports

Service Area Outcome (SAO)	Means of Assessment
SAO 1 – Extra Curricular and Sports: To promote and encourage individual success, achievement and healthy life style through available co-curricular activities.	Assessment Tool – Institutional Effectiveness Survey Expected Performance: 70% of the surveyed participating students will be satisfied with the available co-curricular activities.
SAO 2 – Extra Curricular and Sports: To provide intramural tournaments to promote and encourage individual success, teamwork, leadership skills, and healthy lifestyles.	Assessment Tool – Recreation Calendar of Activity including Intramural Team Roster. Expected Performance: At least two (2) intramural tournaments each regular semester.
SAO 3 – Extra Curricular and Sports: To provide students with the opportunity to participate in community leagues (Palau National Baseball League and Amateur Baseball League).	Assessment Tool – Official Team Rosters of Mesekiu Baseball and Mesekiu Basketball Expected Performance: One (1) Mesekiu Baseball Team and one (1) Mesekiu Basketball Team in any given national season.
