## PCC Summer Kids Program

Instructor Phoebe Sengebau with Marine Science students at PCC Ibokill training room

The first day of classes for the 2019 Summer Kids Program under the Continuing Education (CE) Division of Palau Community College (PCC) was Monday, June 10, 2019. Over a four-week period, elementary school students will participate in various cultural & education activities designed to enhance their learning abilities. Subjects covered in the summer classes offered this year include mathematics (with an emphasis on Singapore math), English reading & writing, Palauan orthography, marine science, music, and art. Each class is designed to help the elementary school students enhance their abilities and improve their skills in certain subject areas. The students are also given the opportunity to foster new skills and interests. The program's awarding of certificate ceremony is slated for July 05, 2019.

**Palau Community College welcomes all new and returning students to the 2019 Summer Session!**
