PCC End-of-the-Year Endowment Get Together

PCC-CRE Vice President Thomas Taro presenting grand prize to Ms. Gaudencia Joseph

Palau Community College (PCC) hosted its End-of-the-Year Endowment Fund Luncheon on Friday, December 27, 2019 at the PCC Mesekiu Bai. The luncheon was a token of appreciation to the bi-weekly donors who have continued supporting and contributing to the PCC Endowment Fund. A raffle drawing that was set up for the event provided a chance for the bi-weekly contributors to win prizes such as gift certificates, electronics, general merchandise, and cash prizes.

The PCC Endowment Fund is a critical component of the PCC 15-Year Institutional Master Plan. With an ultimate goal of \$10 million by 2024, the Endowment Fund will support future programs and services of Palau's only institution of higher learning. Through tickets sales, donations, and the bi-weekly contributions of National Government employees, semi-government agencies, private sectors and community members the PCC Endowment Fund has continued to grow. PCC would like to thank all of its bi-weekly contributors who have continued to support the PCC Endowment Fund!

The Palau Community College Board of Trustees, President, Faculty, Staff, and Students would like to wish all of Palau

A PROSPEROUS NEW YEAR!

END-OF-THE-YEAR CONTINUED ON PAGE. 2

SDSU Begins SPED 500 course

On December 19, 2019 San Diego State University bachelor's cohort begin the course on special education. The course provides a multidisciplinary approach to the historical, philosophical, and legal aspects of special education.

This course meets special education mainstream requirement for all basic teaching credentials, addresses the characteristics and understanding of persons with disabilities, person who are deaf, youth as at risk, and persons who are labeled gifted and talented.

The course will approach disabilities from different discipline such as sociology, anthropology, health, political science, linguistics, education, and communication. Course instructor is Dr. Christopher R. Brum, Assistant Professor of SDSU College of Education. Dr. Brum has co-author two publications titled "Assessment of students with visual impairments and additional disabilities" and "Communication programming for individuals with genetic causes of severe disability and visual impairment".
