Heritage & Cultural Tour: Battle of Peleliu (Past and Present)

contributed by Tourism & Hospitality Instructor Ltlatk H. Fritz

Tourism & Hospitality students with the remnants of the Japanese Zero Plane.

On Friday, April 18, 2014, Tour Service students taking a tour-guiding and travel-planning course conducted a historical tour around the island state of Peleliu. Most of the sites the group visited revolved around historic events that occurred during World War II nearly seventy years ago.

Students visited the WWII Museum, remnants of Japanese occupation (headquarter and power plant), 1st Division Marine Corps Monument, 81st Infantry Division Monument, and final resting sites of downed planes, amphibious vehicles, and artillery. The group was very fortunate to have Mr. Tangerkoi “Tangie” Hesus deliver lectures leading to the tour and leading the group into the cultural and heritage sites around Peleliu State.

The group also included Hotel Operations and Hospitality Management students who were studying Front Office operations. These students, and tour guides, visited three local lodging operations on Peleliu island—Island View Motel, Island Terrace, and Dolphin Bay Resort. CULTURAL TOUR, CONTINUED ON PAGE 3

PCC Establishes IREO

Palau Community College has established an Institutional Research & Evaluation Office (IREO), a consolidation of the Accreditation Office and the Office of Institutional Research. Both the offices worked closely together to compile and analyze data essential for college's continuous improvement. Hence, combining both under a single office will allow for more effective use of resources and programs of the college.

IREO reports directly to the Office of the President as indicated in the current organizational chart of the college. The office is headed by newly appointed Director Deikola Olikong who is the incumbent Accreditation Liaison Officer. Director Olikong will oversee the daily operations of this new office.

Students learned about the various types of accommodations, amenities, and level of operations. Mr. Godwin Sadao, owner of Dolphin Bay Resort, delivered an informal presentation about the organization, services provided, rate structures, and marketing insights to the group.

This excursion is the second field trip that the Tourism & Hospitality Program has conducted this semester. Instructor Ltelatk H. Fritz and the students who participated would like to thank the many individuals, companies, and organizations who made the trip possible: Governor Temmy Shmull and the Peleliu State Government for waiving the fees for all the participating students and instructor, High Chief Obak Isao Singeo, and the residents of Peleliu State.

Special thanks to all the lodging owners: Mr. & Mrs. Postol Remeliik of Island View Motel, Mr. Alex Cruz of Island Terrace, and Mr. & Mrs. Godwin Sadao of Dolphin Bay Resort for hotel tours and presentations. As for our land transportation, we thank Mayumi and Kalista Smau for the generous discounts on the bus rental and to Mr. Willard Smau for the safe-driving and entertainment.

Special thanks also to Bris and Amaredong for delivering our lunch to Camp Beck Dock. We especially appreciate Mr. Tangerkoi Hesus for his outstanding support and inspiration to the tourism students and PCC as well as for his support of these wonderful learning opportunities.
