24th PIALA Conference Hosted at PCC

Participants of the 2014 PIALA Conference.

The 24th annual Pacific Islands Association of Libraries, Archives, and Museums (PIALA) Conference was hosted last week at Palau Community College (PCC). Beginning on November 10, 2014 the conference was a gathering of information professionals from across Micronesia and the Pacific region. In the span of five days, the information professionals participated in presentations and tours that allowed them to exchange information about libraries, archives, and museums across the Pacific as well as network.

The theme for this year's conference was "Be Connected. Stay Informed. Community Transformation!" It reflected the important role that libraries, archives, and museums play in housing information that can transform Pacific communities and keep the communities well-informed. The conference ended on November 15, 2014 with a closing ceremony held at the Belau National Museum. PIALA generously supported the annual Thanksgiving Endowment Fundraiser of PCC by purchasing ten tickets worth \$100. PCC would like to thank PIALA for its support!

FACULTY PROFILE

TENNYSON CASON

EDUCATION INSTRUCTOR

"There is a verse found in 2 Timothy 2:15 that states: 'Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth.' This is good advice and may be modified and extended in similar manner to students at PCC. Perhaps the educational application would read as follows: 'Study much now so that later you will find your efforts approved by and beneficial to your fellow man. The likelihood of embarrassing yourself in the future is greatly reduced by diligently applying yourself to your studies now.'"

Tennyson Cason is the Education Instructor for Palau Community College. He is from Osprey, Florida USA and holds a Master's Degree in Education from the University of North Georgia. His hobbies include fishing, mechanics, hunting, biking, exploration, and lounging.
