Palau Community College welcomes the first cohort of the newly created college program called Career and Technical Education (CTE) Lab School. This year, seven students from palau's elementary school enrolled in CTE Lab School program where they will complete and earn high school diploma and an associate of science degree at the end of four years of study. Students are expected by the end of four year to be able to successfully complete and earn both high school diploma and associate of applied science degree in Construction Technology, participate in Palau's workforce equipped with necessary knowledge and skills to succeed, and/or continue their education in the same field. Students will follow the minimum required subject areas of the Secondary Schools in Palau which will provide main common core of English, Math, Science,

PCC to Celebrate Silver Anniversary

On August 29, 2017 the 25th Anniversary Organizing Committee met to discussed proposed plan of activities for the upcoming Palau Community College 25th Anniversary. Next year, the College marks quarter-century milestone with Silver Anniversary Gala, activities, and the launch of alumni legacy. This is a momentous occasion where college Board of Trustees, President, faculty, staff, & students will also thank many individuals and businesses who have supported and assisted the college as the only institution of higher education in Palau.

For the past 25 years PCC believes that education is the key to success by promoting the concept that learning is a lifelong process. With this belief, the college programs and services give each student an opportunity to develop skills and acquire knowledge to become successful.

PCC 25th Anniversary Organizing Committee

HAPPY LABOR DAY, PALAU!

FROM THE PALAU COMMUNITY COLLEGE BOARD OF
TRUSTEES, PRESIDENT, FACULTY, STAFF, AND STUDENTS

Palau Community College is an accessible public educational institution helping to meet the technical, academic, cultural, social, and economic needs of students and communities by promoting learning opportunities and developing personal excellence.

9/11 Memorial Service Preparation Underway

Last year 9/11 Memorial Service hosted by PCC at the college Assembly Hall

On August 21, 2017 a memorandum signed by the PCC President Dr. Patrick U. Tellei appointed eight college staff to serve on the upcoming 9/11 Memorial Service Planning Committee. The committee is tasked to prepare the program for the ceremony, plan and organize for the ceremony, implement the ceremony, and assess the program using the results for improvements. Present during the meeting on August 30, 2017 was committee chair, Todd Ngirangior, co-chair Tchuzie Tadao, Director Clement Kazuma, Dean of Students Sherman Daniel, Dorm Manager Ephraim Ngirachitei. The committee's next scheduled meeting is September 5, 2017 to review proposed program, logistics, and evaluation tool.

CTE LAB SCHOOL CONTINUE FROM PAGE 1

Social Studies, Health, Computer, Palauan and electives for 9th - 12th grades. English, Math, Science/Health, and Social Studies will be offered in all high school grade levels except for computer which will be offered in 9th grade, Art will be offered in 10th grade, and Music will be offered in the 11th grade.

Under the Two-Year Degree/Certificate program, students will follow the existing accredited degree program of Palau Community College and it will begin on the second year of attendance. Students must complete all required courses by the fall semester of their fourth year of enrollment prior to taking on their internship in spring semester.

The program students who participate in this newly created Career & Technical Education program are Zion Kazuyuki and Sammy Ldesel from Koror Elem. School, Dolmers Dolmers, Viveeka Rebechong, Alkid Jamal Trolui, and Arden Ngircheungel from George B. Harris Elem. School, and Koji Sablan from Melekeok Elem. School.

Program students enrolled in high school classes in morning from 8 am to 12 pm and general ed/program courses in the afternoon from 1 pm to 4:30 pm. Palau Community College welcomes all CTE Lab School students to its campus and wish them all the best in their studies.

International Atomic Energy Agency Representatives Visits PCC

Left to Right: Ola Holmberg IAEA Head of Patient Protection Unit, Lydia Ngirabloseh, Marina Binti Mishar IAEA Programme Management Officer, PCC President Dr. Patrick U. Tellei, and Burcin Okyar IAEA Radiation Safety Specialist

On August 29, 2017 International Atomic Energy Agency (IAEA) representatives visited PCC campus and met with PCC President Dr. Patrick U. Tellei for potential collaboration of IAEA programme initiatives. IAEA technical cooperation projects provide expertise in fields where nuclear techniques offer advantages over other approaches, or where nuclear techniques can usefully supplement conventional means. Palau is eligible for support through technical cooperation projects based on its national needs and priorities. The IAEA was created in 1957 in response to the deep fears and expectations generated by the discoveries and diverse uses of nuclear technology. It is set up as the world's "Atoms for Peace" organization within the United Nations family. IAEA's headquarters is located in Vienna, Austria.
