Subject : 2012 - 2016 General Catalog Addendum #13

The following are changes that have been approved by CPC for 2012 - 2016 General Catalog.

The entrance requirements on page 48 have deletions:

NU applicants: Delete #2 (drug test requirement). This was approved by CPC and notification was sent through Addendum #2 dated May 13, 2010, for the 2008-2012 catalog.

CJ applicants: Delete both #1 (drug test) and #2 (police clearance) requirements. Both the drug tests and police clearance are no longer required for the CJ program.

A copy of this addendum will be posted in the college website: www.palau.edu.

SC 201 Oceanography

1. Prerequisite should be: “**SC 120 and SC 170**.”

SC 239 Natural History of Palau

1. New course description reads as follows: “***This course is about the natural environment of Palau. It introduces the student to the geological formation of the islands of Palau, the significance of oceanic distance between Palau islands and its***

neighboring islands and continents, and how it influences migration and immigration of terrestrial and marine organisms between islands. Students will better understand and develop appreciation of the importance of the major terrestrial and marine ecosystems to Palau’s environment and culture. Students become aware of how island ecosystems function, and more importantly, how they are all interconnected. Through field observations, students gain knowledge and skills in identifying, by their scientific names, of some of the common terrestrial and marine flora and fauna of Palau. Students become aware of the richness of Palau’s biodiversity by participating in simple field surveys and monitoring techniques. Through library research, online searches using search engines, and interviews with local experts, students increase their knowledge of some of Palau’s indigenous, introduced, and endemic species. Students construct public education awareness power point presentations on selected flora and fauna of Palau, proposing practical solutions to conserve and protect Palau’s biodiversity, and present to their peers. Pre: Reading level of 8th grade or higher or EN092, and EN095, and CS100 (3 credits lec, 1 credit lab)”
