

# Assessment Impact by Course Objectives

## Palau Community College

### Program (NU) - Nursing

#### Program (NU) - Nursing

#### CLO: NU 102 - Basic Nursing Concepts: CLO 1

Describe the aspects of nursing practice that affect the scope of nursing.

**CLO Assessment Cycle:** 2013 - 2014 (Fall 2013)

**CLO Status:** Active

Means of Assessment			
Means of Assessment	Expected Student Performance	Notes	Active
Demonstrate understanding by identifying and explaining the four scopes of the nursing practice area. <b>Signature assignment:</b> Midterm Exam	70% of the students assessed will perform at the proficiency level.		Yes
Perform nursing skills relevant to the four scopes of the nursing practice area. <b>Signature assignment:</b> Midterm Performance Activity	70% of the students assessed will perform at the proficiency level.		Yes

Results			
Summary of Data Collected	Use of Results	Follow-Up	Semester Assessed
Midterm Exam - 12/30/2013 - 100% of students performed at the proficiency level. <b>Expected Student Performance Met:</b> Yes <b>Related Documents:</b> <a href="#">proficiency levels</a> <a href="#">proficiency levels</a>	12/30/2013 - Although all the students scored at or above the 70% proficiency level most of them struggled in class because they have not had anatomy & physiology course and it was hard for them to locate and/or assess the major body organs. 12/30/2013 - No specific action will be taken at this time but, I still recommend that Anatomy & Physiology become a required pre-requisite for this course (NU 102).		2013 - 2014 (Fall 2013)
Midterm Performance Activity - 12/30/2013 - 100% of students scored at the level of 70% proficiency and above. <b>Expected Student Performance Met:</b> Yes	12/30/2013 - No specific action will be taken at this time but, I still recommend that Anatomy & Physiology become a required pre-requisite for this course (NU 102).		2013 - 2014 (Fall 2013)
Midterm Exam - 12/30/2013 - 100% of the students assessed performed at the proficiency level. <b>Expected Student Performance Met:</b> Yes	12/30/2013 - Although all the students scored at or above the 70% proficiency level most of them struggled in class because they have not had anatomy & physiology course and it was hard for them to locate and/or assess the major body organs.		2013 - 2014 (Fall 2013)

**CLO: NU 102 - Basic Nursing Concepts: CLO 2**

Describe common ethical issues facing nurses and other healthcare providers.

**CLO Assessment Cycle:** 2013 - 2014 (Fall 2013)**CLO Status:** Active

Means of Assessment			
Means of Assessment	Expected Student Performance	Notes	Active
Identify common ethical issues in the nursing practice. <b>Signature assignment:</b> Midterm Exam	70% of the students assessed will perform at the proficiency level.		Yes
