

# Assessment Impact by Course Objectives

## Palau Community College

### Program (NU) - Nursing

**Program (NU) - Nursing**

**CLO: NU 103 - Child Health Nursing I: CLO 1**

Describe and apply all the steps of the nursing process in the care of clients and implement all the activities for each step.

**CLO Assessment Cycle:** 2013 - 2014 (Fall 2013)

**CLO Status:** Active

Means of Assessment			
Means of Assessment	Expected Student Performance	Notes	Active
Demonstrate understanding of the steps of the nursing process in the care of clients. <b>Signature assignment:</b> Patient Care Plan	70% of the students assessed will perform at the proficiency level.		Yes

Results			
Summary of Data Collected	Use of Results	Follow-Up	Semester Assessed
Patient Care Plan - 12/21/2015 - 100% of students assessed performed at the proficiency level. <b>Expected Student Performance Met:</b> Yes <b>Related Documents:</b> <a href="#">nu 103 cp</a> <a href="#">nu 103 cp 2</a> <a href="#">nu 103 cp 3</a> <a href="#">nu 103 cp 4</a> <a href="#">nu 103 cp 5</a> <a href="#">nu 103 cp 6</a>	12/21/2015 - No action is needed at this time, all students assessed performed at/above proficiency level. There was an improvement in these students performance now that SC 159 B is a prerequisite for the course.		2015-2016 (Fall 2015)
Patient Care Plan - 12/30/2013 - 90% of the students performed at proficiency level. <b>Expected Student Performance Met:</b> Yes <b>Related Documents:</b> <a href="#">proficiency levels</a>	12/30/2013 - No action will be taken at this time but I am still recommending that SC 159 be a required prerequisite for this course. Anatomy & Physiology (SC 159) will help improve students' performances for this course.		2013 - 2014 (Fall 2013)
Patient Care Plan - 12/30/2013 - 100% of students performed at proficiency level. <b>Expected Student Performance Met:</b> Yes	12/30/2013 - No action will be taken at this time but I am still recommending that SC 159 be a required prerequisite for this course. Anatomy & Physiology (SC 159) will help improve students' performances for this course.		2013 - 2014 (Fall 2013)

**CLO: NU 103 - Child Health Nursing I: CLO 2**

Addresses the affects/impact of illness and hospitalization on the child family in the client care plan; evaluate the plan and revise it as needed.

**CLO Assessment Cycle:** 2013 - 2014 (Fall 2013)

**CLO Status:** Active

Means of Assessment			
Means of Assessment	Expected Student Performance	Notes	Active
Develop, evaluate and revise as needed a patient/nursing care plan. <b>Signature assignment:</b> Patient Care Plan	70% of the students assessed will perform at the proficiency level.		Yes

Results			
Summary of Data Collected	Use of Results	Follow-Up	Semester Assessed
Patient Care Plan - 12/21/2015 - 100% of students assessed performed at the proficiency level. <b>Expected Student Performance Met:</b> Yes <b>Related Documents:</b> <a href="#">nu 103 cp</a> <a href="#">nu 103 cp 2</a> <a href="#">nu 103 cp 3</a> <a href="#">nu 103 cp 4</a> <a href="#">nu 103 cp 5</a> <a href="#">nu 103 cp 6</a>	12/21/2015 - No action is needed at this time, all students assessed performed at/above the proficiency level. There was also an improvement in these students performance since SC 159 B is now a prerequisite for the course.		2015-2016 (Fall 2015)
Patient Care Plan - 12/21/2015 - 100% of students assessed performed at the proficiency level. <b>Expected Student Performance Met:</b> Yes			2015-2016 (Fall 2015)
Patient Care Plan - 12/21/2015 - 100% of students assessed performed at the proficiency level. <b>Expected Student Performance Met:</b> Yes	12/21/2015 - No action is needed at this time and there was an improvement in these students performance now that SC 159 B is a prerequisite for this course and these same students completed and passed it.		2015-2016 (Fall 2015)
Patient Care Plan - 12/30/2013 - 90% of the students performed at proficiency level. <b>Expected Student Performance Met:</b> Yes <b>Related Documents:</b> <a href="#">proficiency levels</a>	12/30/2013 - No action will be taken at this time but I am still recommending that SC 159 be a required prerequisite for this course.
