Palau Community College

Vision Statement

"We strive to guarantee quality and excellence."

Mission Statement

Palau Community College is an accessible public educational institution helping to meet the technical, academic, cultural, social, and economic needs of students and communities by promoting learning opportunities and developing personal excellence.

Institutional Learning Outcomes (ILO)

Critical Thinking and Problem Solving

Analyze and solve problems by using informed judgment based on evidence, and sound reasoning and/or creativity to differentiate facts from opinions and to specify solutions and their consequences.

Communication

Effectively communicate, both orally and in writing, thoughts in a clear, well-organized manner to persuade, inform and/or convey ideas in academic, work, family and community settings.

Quantitative and Technological Competence

Use mathematical skills appropriate to our technological society by analyzing and solving problems that are quantitative in nature and use technology for informational, academic, personal and professional needs.

Diversity

Understand and appreciate differences in cultures and behaviors between the self and others by demonstrating respect, honesty, fairness, and ethical principles in both personal and professional life.

Civic Responsibility

Apply the principles of civility and morality to situations in the contexts of a healthy family, work, community, environment and world.

Aesthetics

Apply numerous means of inquiry to experience and appreciate the values of arts and nature.

Needs of the Blai and Beluu

The phrase "chelbulel a blai ma beluu" (needs for shortcomings to be resolved) was the first step in teaching discipline in the hearts and minds of the children and young people of traditional Palau. If we belong to Palau or if we are a Palauan, we must know the conditions and needs of the blai and beluu from which we come so that, wherever we go and whatever we do, we knows where, how and why to return home. As a Palauan, we must always do good deeds with respect, kindness, compassion and obedience throughout life in order not to bring disgrace and a bad reputation to our native blai and beluu. We always will be careful to lead lives that bring praise and a good reputation to our beluu and families. There is an old saying in Palau that admonishes: "When leaving home, go and stand at the edge of the yard and take a good look at your house. When leaving town, go to the klemedaol (landing and departure dock) and take a good look at your beluu. Anywhere you go, hide your kederaol (shore)." In traditional times, this was the basic principle of education placed in the hearts of children and young people. It frequently helped them conduct themselves in acceptable ways and to do good deeds that brought praise to their beluu and blai.

Notification of Rights under FERPA

The Family Educational Rights and Privacy Act (FERPA) afford eligible students certain rights with respect to their education records. (An "eligible student" under FERPA is a student who is 18 years of age or older or who attends Palau Community College.) These rights include:

- 1. The right to inspect and review the student's education records within 45 days after the day the Palau Community College (PCC) receives a request for access. A student should submit to the Admissions & Records Office, Dean of Student, or Dean of Academic Affairs, a written request that identifies the record(s) the student wishes to inspect. The school official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the school official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.
- The right to request the amendment of the student's education records that the student believes is inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.

A student who wishes to ask the school to amend a record should write the school official responsible for the record, clearly identify the part of the record the student wants changed, and specify why it should be changed.

If the school decides not to amend the record as requested, the school will notify the student in writing of the decision and the student's right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

 The right to provide written consent before the college discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

The school discloses education records without a student's prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official is a person employed by the PCC in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel and health staff); a person serving on the board of trustees; or a student serving on an official committee, such as a disciplinary or grievance committee. A school official also may include a volunteer or contractor outside of the PCC who performs an institutional service of function for which the college would otherwise use its own employees and who is under the direct control of the college with respect to the use and maintenance of PII from education records.

such as an attorney, auditor, or collection agent or a student volunteering to assist another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for PCC.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the PCC to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

> Family Policy Compliance Office U.S. Department of Education 400 Maryland Avenue, SW Washington, DC 20202

Directory Information Notice

The Palau Community College may disclose certain information, known as directory information, in its discretion without consent. Directory information is generally not considered harmful or an invasion of privacy if released. Directory information may be disclosed unless the students have advised the school that they do not want the student's information disclosed without their prior written consent. If you do not want PCC to disclose directory information from

your education records without your prior written consent, you must send written notice annually to Admissions & Records office before the last day to add classes. Forms are available from that office. The following information regarding students is considered directory information:

- Student's name
- Address
- Telephone listing
- Electronic mail address
- Photograph
- Date and place of birth
- Major Field of study
- Dates of attendance
- Grade level
- Participation in officially recognized activities and sports
- Weight and height athletic team members
- Class standing
- Degrees, honors, and awards received
- Current enrollment status (full/part-time)
- The most recent educational agency or institution attendedStudent ID number, user ID, or other unique personal identifier used to communicate in electronic systems that cannot be used to access education records without a PIN, password, etc. (A student's SSN, in whole or in part, cannot be used for this purpose.)

REGISTRATION INFORMATION

Registration Procedures

The following steps should be followed in order to register for classes:

Pay a tuition deposit of \$50.00 at the Business Office and pick up your clearance.

- Present your clearance at the Admissions & Records Office and pick-up your Registration Packet.
- Meet with your academic advisor at Student Life Office for program planning.
- Submit your completed registration worksheet to the Admissions & Records Office.
- The Admissions & Records Office will process your registration worksheet and provide you with an official class schedule.

Registration for Overload: Students wishing to register for more than 18 credits will be permitted to do so only after they have received a written approval from their advisor and the Admissions & Records Office. Students must complete an Overload Form along with a Registration Worksheet during registration period. The forms are available at the Admissions & Records Office.

Class Schedule Adjustment / Add & Drop: Students may add and/or drop classes during the Add & Drop week (refer to academic calendar). There will be a fee of \$2.00 for each drop/add form. Classes dropped during this period are not shown on the student's permanent record.

Late Registration: Pay \$10.00 late registration fee and \$50.00 Tuition Deposit at the Business Office and pick up your clearance form. Present your clearance to the Admissions & Records Office, pick up your Registration Packet and follow the steps outlined above to register for class(es).

Academic Advising: Continuing, Returning, and Readmitting Students— Fill out your Registration Worksheet before seeing your advisor for approval.

New and Transfer Students: Academic advisors will

work with you to create your class schedule. The results of your placement tests or transcript evaluation will determine course placement at the appropriate level.

4th week of instruction	25%	75%
After 4th week of instruction	0%	100%

It is the responsibility of students to notify the College that they are officially withdrawing from the college. A withdrawal form is available at the Admissions & Records Office at no cost. Refund will be determined based on the date of official notification or last day of attendance.

ACADEMIC REGULATIONS

Placement Testing: English and Math placement tests need to be taken by all new students before registration. Contact the Learning Resource Center (LRC) at 488-3073 for more information.

Cancelled / Added Courses: Courses with enrollments of fewer than 10 students may be cancelled. The college reserves the right to add or cancel courses in order to meet students' and college needs. Be sure to check the latest schedule of classes with your advisor, the advising center, bulletin boards or the Admissions & Records Office before the semester begins for any cancellations.

Repeating Course(s): A student is permitted to repeat a course that he/she has previously earned a grade of "D", "F", or "NC" (no credit). When a course is repeated, only the most recent grade will be used in computing the cumulative grade point average.

Students may apply to audit one or more courses without credit. No credits or grades will be awarded to individuals who register to audit courses. Students wishing to audit courses must complete an application for admissions as well as pay the required fees. Auditors should attend classes promptly and regularly. If it becomes necessary for an auditor to withdraw from the college, the same withdrawal procedures for regular students should be followed.

Course Withdrawal: Beginning on **Wednesday, October 24, 2018**, all official withdrawals are recorded on the student's permanent record with a grade of "W". Last day for all withdrawals is **Friday, October 19, 2018**.

Course withdrawal may impact financial aid eligibility and/or degree progress; therefore, consult with your instructor and advisor prior to processing your course withdrawal form. Students who wish to withdraw from all their courses must process a **Clearance Form**.

Change of Major/Double Major: A request to change major/program and/or to add a second major must be filed with the Admissions & Records Office by the last day of late registration (Thursday, August 09, 2018) in order for the request to be effective in the current semester. Any request submitted at a later time will become effective in the following semester. All requests must follow these steps outlined below:

- Obtain the Change of Major request form from the Admissions & Records Office.
- Obtain signature from your current Academic Advisor.
- Obtain approval from the Director of Student Life
- Submit the request to the Admissions & Records Office.

Textbook Information: Textbook title and International Standard Book Number (ISBN) is provided in the course syllabus.
