## Moments from the 57<sup>th</sup> PCC Commencement Exercises

*PCC Graduating Class of 2020*

Palau Community College (PCC) celebrated its 57<sup>th</sup> Commencement Exercises last Friday, May 15, 2020. The ceremony was held at the PCC Assembly Hall and recognized the academic achievements of eighty (80) students receiving their degrees from PCC and eight (8) graduates who completed their studies under the PCC Adult High School Program. Due to the COVID-19 Pandemic, an alternative graduation ceremony was held in three separate ceremonies. The ceremony began with the processional march of the graduates and officiators. Pastor Herdrick Kual of Palau Evangelical Church gave the benediction and was followed by the welcoming remarks of PCC President Dr. Patrick U. Tellei.

Business administration program graduate Ikelau Lorinda Uro, Nursing program graduate Kazuko M. Chibana, and Community and Public Health program graduate Reilynn D. Mechol were all given the honor of valedictorians. The recognition of honors and awarding of degrees followed the speeches. PCC President Tellei and PCC Chairperson Rev. Billy G. Kuartei then certified the graduates of the PCC vocational programs in accordance with the stature. Congratulations to all the Graduates of 2020 and best wishes to you in whatever paths you choose!

### PCC FSA's Effort to Support Student Success

By: Johvanna Yaoch & Derbai Meyar

*FSA meeting with students at PCC Assembly Hall*

In response to the current pandemic's hindrance to traditional face-to-face instruction, Palau Community College (PCC) opted to continue instruction through distance education. With student success as a priority, the PCC Faculty Senate Association (FSA) held an emergency meeting to brainstorm ideas on how to best transition to distance education as well as how to fully support students during the remaining weeks of the semester. As a result of the meeting, FSA recommended to the Acting Dean of Academic Affairs Deikola Olikong that a week off was needed to allow faculty to properly plan and prepare before classes resumed on March 30. Days into the resumption of classes through distance education, FSA members realized that there were more challenges that needed to be addressed.

Such challenges are not unique to PCC but rather are experienced by other institutions that offer distance education as well as those that were forced to transition to distance education due to the COVID-19 pandemic. Such challenges include inadequate access to technology, limited technology skills, and time management skills.

Now that the semester has ended and with student success still a top priority, the association is planning a workshop that would allow faculty members to share ideas, challenges, and possible solutions to better prepare for the upcoming semesters.

### PCC Receives Donation from Surangel & Son's

Donations to PCC

On Tuesday, May 5 2020, Palau Community College recieved a donation from Surangel & Son's Super Center which included three (3) cases of head cabbage, three (3) cases of honey dew, and three (3) cases of cantaloupe.

PCC extends its gratitude and a big thank you to Surangel & Son's Super Center for their donations to PCC dormitory students.
