PCC Admissions & Records Recruitment Program Ongoing

PCC Associate Dean McClain Worswick during student recruitment at Palau Mission Academy

On February 02, 2021 Palau Community College Admissions & Records in collaboration with PCC School of Technical Education visited seniors of Palau Mission Academy as part of college recruitment effort to inform prospective students for the academic year 2021-2022. PCC Representatives present at the recruitment session were Admissions & Record Director Lesley Adachi and Associate Dean of CTE McClain Worswick.

Associate Dean Worswick gave a presentation of academic programs offered at the college while Director Adachi provided information on how to apply for admission and required supplemental forms needed in order to be accepted and enrolled at PCC. The recruitment session also allows students to fill out application for admissions while waiting for the final high school transcript to be mailed out to the college admissions office. Palau Missions Academy senior class teacher and principal thanked the college for reaching out to assist senior class and preparing them for their next level of educational endeavor.

PCC PTHSE Tourism Club & Instructors Donated to Belau National Hospital

For the past several months, Palau Community College-Palau Tourism & Hospitality School of Excellence (PTHSE) Tourism Club had been busy fundraising to support their student club mission, and that is to help local government agencies and community organizations. PTHSE Tourism club made a much needed donation to the Belau National Hospital (BNH). This year the club was able to provide 4 turkeys, a case of stuffing and a case of gravy. The students expressed how great they felt after this donation and would like to thank everyone who has always supported the club.

Both students and their advisor express their gratitude to their supporters saying "We would like to express our deepest gratitude to those who supported our booth at the OBF and donated to the club.

SDSU Master's Cohort Begins ARP 740 Course

On February 01, 2021 San Diego State University Master's Cohort lead off this new year with a start of ARP 740 course. The course is focused on fiscal and legal issues in school administration which gives students basic understanding of public sector financial management and budgeting. Moreover, students will learn various types of government structures, tax policies, revenues, source of government funds, capital improvements, long range financial planning, budget development, auditing, financial reporting, impact of policy decisions on finance, and national economy on local government finances.

The course is delivered in both synchronous and asynchronous learning method and administered by Dr. Jill Torres from SDSU with the help of local facilitator, Ms. Sandra Pierantozzi.

This 8 week course have 23 students attending who are employed by the respective government agencies, Ministry of Education, Palau Community College.
