## SUMMER CAMP STUDENTS AT CRE R & D STATION

HRCTD MINISTER TMETUCLH

MEETS PRESIDENT TELLEI

*Minister of HRCTD Ngiraibelas Tmetuchl, PCC President Dr. Patrick U. Tellei, Director of Bureau of Youth, Applied Arts & Career Melson Miko, Dean of CE Jefferson Thomas, PVA Executive Director Kadoi Ruluked, Dean of Students Hilda N. Reklai, and HRCTD staff*

On June 09, 2021 The new Ministry of Human Resources, Culture, Tourism and Development Minister Renguul Ngiraibelas Tmetuchl and staff visited Palau Community College and met with PCC President Dr. Patrick U. Tellei, Dean of Continuing Education Jefferson Thomas and Dean of Students Hilda N. Reklai on future collaborative efforts to identify and train local Palauans on needed skills for employment. Such initiative align with Republic of Palau President Whipps Jr. effort to increase local skilled workforce, create opportunities for people and encouraging more investment. Investments and jobs that really help Palauan people. The new ministry also administer the Bureau of Public Service System (BPSS) that has been managing job placement and employment positions over past years.

*Students learning various taro seedlings and propagation methods*

This week, Palau Community College Cooperative Research & Extension (CRE) Research & Development Station and Multi-Species Hatchery in Ngeremlengui are hosting summer camp students from SERS-ED program.

Students are required to spend half-day learning all agriculture crops and its various stages of growth from germplasm collection to weeding, fertilization and harvesting. Students are also introduced to table top vegetable gardening and backyard gardening methods.

Students were also familiarized with Multi-Species Hatchery where Aquaculture projects were implemented. Students learned the basic of spawning of mangrove crab and harvesting; Rabbitfish fingerlings, larvae, and spawning including feeding and segregation. Other species introduced were white snapper captive broodstock in rearing tank for experiment and future production.

*Palau Community College is an accessible comprehensive public educational institution helping to meet the technical, academic, cultural, social, and economic needs of students and communities by promoting learning opportunities and developing personal excellence.*

## PCC CTE Students Assemble Chicken Cage for local Poultry Farm

On June 16, 2021 PCC CTE Lab School students assist college maintenance assemble and fabricate materials to be used for chicken cage farming. The poultry farming project is spearheaded by PCC CRE agriculture program.

## LRC/AANAPISI OFFICE REVAMPED
