Learning Resource Center Conducts Transfer Workshop

TH Instructor Jenelle I. Blesam during a transfer workshop at CE training room

On Thursday, October 7, 2021, PCC Learning Resource Center conducted a transfer workshop at CE Training Room.

The Career Transfer Counselor from Learning Resource Center, Telbakes Yano, initiated the workshop as a way to give the students a taste of what it is like to study outside of Palau. Mr. Yano believes that it would be a good idea to also have other people speak about their college/university experiences so that the students can have a broader understanding of what to expect when they choose to attend four-year college/university. Academic Advisor Crane Moses and PCC Tourism & Hospitality Instructor Jenelle Blesam were willing to assist in the workshop by sharing their own university experiences alongside Mr. Yano. Invited speakers discussed standard of education, school events, class projects, COVID-19 protocols, and challenges of living outside of Palau. Based on the workshop evaluation, the workshop was very informative and that one student would like to see more of such workshop conducted in the future for interested students. PCC thanks Learning Resource Center for organizing the transfer workshop to help students transitioned to higher education.
