With Our Ocean 2022 Conference merely days away, the College is vigorously preparing to support the Republic's role as co-host of the global event. While the main event will take place at the National Gym, most of the pre and post conference side events will take place on the college campus. Close to 30 classrooms and office space, including the Cafeteria, Mesekiu Gym and Tourism & Hospitality School of Excellence have been dedicated for the side events. The College's preparation include an all-school clean up as part of its Charter Day festivities, and creation of a support team to ensure that all the side events venues and the entire campus are kept clean throughout the entire conference week.
