

COURSE OUTLINE

Internship
Course title

SE 223
Dept. & Course No.

I. COURSE DESCRIPTION: This course provides students with practical training in outboard engines repair. With the assistance of an instructor-coordinator, the student is assigned to work under a supervisor in a governmental department or a private business in order to learn through the actual work experience.

II. SEMESTER CREDITS: 4

III. CONTACT HOURS PER WEEK: 0 12 12
 Lecture Lab Total

IV. PREREQUISITE: Program completion evaluation

V. STUDENT LEARNING OUTCOMES:

IV. COURSE CONTENT

Upon the completion of the training, the student will be able, with 65% accuracy, to:

1. Demonstrate proper employee behaviors and work habits

A. Behavior/Work Habits

- 1. Punctuality
- 2. Attitude
- 3. Dependability
- 4. Honesty
- 5. Personal Hygiene
- 6. Interpersonal Relations

2. Perform small engine and outboard engine repair tasks as assigned by the site supervisor.

B. Task Application

VII. MATERIALS AND EQUIPMENT:

Will be provided by the site supervisor where applicable

VIII. TEXTS AND REFERENCES: None

IX. METHOD OF INSTRUCTION:

Students will perform assigned outboard engine repair tasks under the supervision and training of a designated site supervisor.

X. METHOD OF EVALUATION:

The student will be evaluated based on the internship training rating sheet.

The transmutation of percent to letter grade is as follows:
90-100%..... A
80-89%..... B
70-79%..... C
65-69%..... D
0-64%..... F

Palau Community College
Course Learning Outcomes
SE223 Internship

During the course experience, the **course learning outcomes** (CLO) will be assessed through the use of signature assignments. A rating scale will be used to determine the students' proficiency level of each CLO using specifically aligned assignments. The numerical rating of 4,3,2 and 1 are not intended to represent the traditional school grading system of A, B, C, D and F. The descriptions associated with each of the numbers focus on the level of student performance for each of the course learning outcome listed below.

Course Learning Outcome 1: Demonstrate proper employee behaviors and work habits.

Punctuality	4	Always (100% of the time)	2	Occasionally (75% to 89% of the time)
	3	Almost always (90% of the time)	1	Seldom (below 75% of the time)
Attitude	4	Always (100% of the time)	2	Occasionally (75% to 89% of the time)
	3	Almost always (90% of the time)	1	Seldom (below 75% of the time)
Dependability	4	Always (100% of the time)	2	Occasionally (75% to 89% of the time)
	3	Almost always (90% of the time)	1	Seldom (below 75% of the time)
Honesty	4	Always (100% of the time)	2	Occasionally (75% to 89% of the time)
	3	Almost always (90% of the time)	1	Seldom (below 75% of the time)
Personal Hygiene	4	Always (100% of the time)	2	Occasionally (75% to 89% of the time)
	3	Almost always (90% of the time)	1	Seldom (below 75% of the time)
Interpersonal Relations	4	Always (100% of the time)	2	Occasionally (75% to 89% of the time)
	3	Almost always (90% of the time)	1	Seldom (below 75% of the time)

Course Learning Outcome 2: Perform small engine and outboard motor repair tasks as assigned by a site supervisor.

Task/Activity Name	Rating Scale			
1.	4	Outstanding (performs tasks / activities without assistance)	2	Developing (performs tasks / activities with regular assistance)
	3	Proficient (performs tasks / activities with minimal assistance)	1	Emerging (unable to perform tasks / activities even with regular assistance)
2.	4	Outstanding (performs tasks / activities without assistance)	2	Developing (performs tasks / activities with regular assistance)
	3	Proficient (performs tasks / activities with minimal assistance)	1	Emerging (unable to perform tasks / activities even with regular assistance)
3.	4	Outstanding (performs tasks / activities without assistance)	2	Developing (performs tasks / activities with regular assistance)
	3	Proficient (performs tasks / activities with minimal assistance)	1	Emerging (unable to perform tasks / activities even with regular assistance)
4.	4	Outstanding (performs tasks / activities without assistance)	2	Developing (performs tasks / activities with regular assistance)
	3	Proficient (performs tasks / activities with minimal assistance)	1	Emerging (unable to perform tasks / activities even with regular assistance)
5.	4	Outstanding (performs tasks / activities without assistance)	2	Developing (performs tasks / activities with regular assistance)
	3	Proficient (performs tasks / activities with minimal assistance)	1	Emerging (unable to perform tasks / activities even with regular assistance)

Signature and Date

**PALAU COMMUNITY COLLEGE
INTERNSHIP TRAINING PROGRAM
PROGRAM EXPECTATIONS**

Site Supervisor (Evaluator): The site supervisor acts as the lead instructor. As such, it is his/her responsibility to assign tasks that are related to the student's major and to supervise as necessary such tasks. The level of supervision will depend on the task and the student's proficiency in that area. Tasks are to be recorded on the Internship Rating Sheet and the student will be rated according to the proficiency level he/she performed at during the time the student worked on such task. Comments should be provided for each completed task. Should there be any problems/concerns with the performance of the student intern, the site supervisor should contact and meet with the internship coordinator as soon as possible. A final grade will be given by the site supervisor based on the task ratings that the student earned through his or her performance of said tasks.

Student Intern: The student's responsibility as an intern is to successfully perform the necessary number of hours needed to complete the course requirement. As such, this student should have the attitude that this is his/her opportunity to practice his/her program learned skills in a work environment. He/she should perform the assigned tasks to the best of his/her ability, ask questions when necessary and seek assistance when needed. Should there be any problems/concerns with the site supervisor, the student intern should contact and meet with the internship coordinator as soon as possible.

Internship Coordinator: The internship coordinator is the liaison officer between the student and the site supervisor. It is his/her responsibility to place the student in an appropriate site location that best fits the student's program. In addition, the internship coordinator will conduct at least four (4) site visits during the internship duration. Any problems/concerns from either the site supervisor or student intern will be handled by the internship coordinator. In addition, the internship coordinator will be responsible for the assessments of both the course and the student. Assessment and grading will be based on the site supervisor's ratings and comments. The internship coordinator will submit both the final grade and the course assessment to the proper personnel.

SE223 SUGGESTED TASK LIST

Assist with the following tasks:

1. Maintain tools and equipment.
2. Negotiate customer's needs.
3. Show handling of small engine parts and accessories.
4. Service electrical system.
5. Service fuel system.
6. Service power trim and tilt system.
7. Service engine mechanical system.
8. Service gear box system.
9. Identify and test electronic component engines.
10. Maintain a program of routine maintenance and care.
11. Perform engine diagnosis.
12. Follow and apply number of hours required for break-in procedures.
13. Adjust and set the timing.
14. Remove and install both intake and exhaust valve.
15. Remove and install diaphragm.
16. Remove and install water pump housing.
17. Service water jacket.
18. Service and test thermostat.
19. Disassemble and reassemble power head.
20. Describe and explain types of pistons.
21. Check ring grooves clearance.
22. Apply measurement methods, single and double engine installations.
23. Remove and install hydraulic motor.
24. Remove and install propeller.
25. Locate and use propeller chart to find right pitch, diameter for right engine horse power.
