TH 226 Internship – Tour Services (AS)

During the course experience, the *course learning outcomes* (CLO) will be assessed through the use of signature assignments. A rating scale will be used to determine the students' proficiency level of each CLO using specifically aligned assignments. The numerical rating of 4,3,2 and 1 are not intended to represent the traditional school grading system of A, B, C, D and F. The descriptions associated with each of the numbers focus on the level of student performance for each of the course learning outcome listed below.

Course Learning Outcome 1: Demonstrate proper employee behaviors and work habits.

PALAU COMMUNITY COLLEGE INTERNSHIP TRAINING PROGRAM

PROGRAM EXPECTATIONS

Site Supervisor (Evaluator): The site supervisor acts as the lead instructor. As such, it is his/her responsibility to assign tasks that are related to the student's major and to supervise as necessary such tasks. The level of supervision will depend on the task and the student's proficiency in that area. Tasks are to be recorded on the Internship Rating Sheet and the student will be rated according to the proficiency level he/she performed at during the time the student worked on such task. Comments should be provided for each completed task. Should there be any problems/concerns with the performance of the student intern, the site supervisor should contact and meet with the internship coordinator as soon as possible. A final grade will be given by the site supervisor based on the task ratings that the student earned through his or her performance of said tasks.

Student Intern: The student's responsibility as an intern is to successfully perform the necessary number of hours needed to complete the course requirement. As such, this student should have the attitude that this is his/her opportunity to practice his/her program learned skills in a work environment. He/she should perform the assigned tasks to the best of his/her ability, ask questions when necessary and seek assistance when needed. Should there be any problems/concerns with the site supervisor, the student intern should contact and meet with the internship coordinator as soon as possible.

Internship Coordinator: The internship coordinator is the liaison officer between the student and the site supervisor. It is his/her reasonability to place the student in an appropriate site location that best fits the student's program. In addition, the internship coordinator will conduct at least four (4) site visits during the internship duration. Any problems/concerns from either the site supervisor or student intern will be handled by the internship coordinator. In addition, the internship coordinator will be responsible for the assessments of both the course and the student. Assessment and grading will be based on the site supervisor's ratings and comments. The internship coordinator will submit both the final grade and the course assessment to the proper personnel.
