Accrediting Commission for Community and Junior Colleges (ACCJC), the Commission Third-Party Comment

A third-party comment assists the Commission as it considers applications for candidacy, accreditation, or reaffirmation of accreditation. When an institution is undergoing a review, the Commission requires the institution's chief executive officer to notify the campus community and public of the opportunity for submission of third-party comments and the process for doing so. Any member of the college community or public may submit a third-party comment by completing the Commission's online third-party comment form, available via the institution's website or ACCJC's website. In order to ensure evaluation of applicable third-party comments by the peer review team, third-party comments should be received by the Commission staff no later than five weeks before the peer review team visit.

Palau Community College's Focus Site Visit is scheduled during the week of March 13, 2023. Should any member of the College community or the public who may wish to submit a third-party comment must complete the Commission's online third-party comment form available at <https://accjc.org/forms/third-party-comments/>.

The third-party comment should be received by the Commission five weeks prior to March 13, 2023.
