Summary of Description:

Palau Community College is seeking a qualified individual as a full-time instructor for its Information Technology (IT) program. This IT program is designed for students interested in professional careers in the IT field. The program provides basic knowledge and skills needed for employment or for the pursuit of a higher education in the field of IT.

Examples of Duties consist, but are not limited to:

- Develop, plan and teach IT courses each semester
- Ensure that the IT program curricula is current and relevant
- Develop or revise IT courses and the program as necessary
- Evaluate student learning
- Support College policies and procedures
- Participate in College, division, and program activities
- Contribute to the growth and enhancement of College mission and programs

Minimum Qualification/Requirements:

- BS/BA or MS/MA degree in Information Technology or related field from an accredited university/college.
- Must be proficient in speaking and writing in English.

General information:

Application forms may be obtained from the Human Resources Office or at the college website: www.palau.edu . Send completed application, resume and transcripts to: P.O. Box 9, Koror, PW 96940 (copies of transcripts will be sufficient during review process, but official transcripts and a recent police clearance will be required prior to any issued or offered contract). For further information, call 680-488-2470 x 227, or visit the HRD office on campus or email hr@palau.edu .
