PCC CTE DAIKSANGERS ROCK NIGHT MARKET STAGE

PCC CTE Lab School dancers @ the Night Market

The Career Technical Education (CTE) Lab School students gave a stunning live dance performance at the recent Night Market at JP Friendship Bridge, Airai last Saturday. The talented group captivated the audience with their lively and funny performance that they debuted at the PCC Mesekiu International Night last month. The performance was met with high praise. We are incredibly proud of our students for representing our college at the national stage and being part of the Palau Visitors Authority's (PVA) popular Night Market program.

PCC Students Consult Ministry of HRCTD on Priority Youth Issues

On Thursday, April 13th, 2023, the Minister of Human Resources, Culture, Tourism & Development, Ngirai Tmetuchl, and his staff held an outreach event with PCC students at the PCC Assembly Hall. Students engaged in discussions

Palau Community College is an accessible comprehensive public educational institution helping to meet the technical, academic, cultural, social, and economic needs of students and communities by promoting learning opportunities and developing personal excellence.

Ministry continued

and small breakout group work where they presented the top 3 issues they believe to be the priority of Palau's youth. The Ministry's official Facebook page reported the results of the event in these words:

Today April 13, 2023 we had the opportunity to talk to a small group of students from Palau Community College - PCC to get their insight on what they believe are priority issues of the Palau's Youth in their opinion the top 3 were Mental Health, Financial Problems and Bullying. Through breakout sessions the students proposed practical solutions to these issues.

We are immensely proud of our students for tackling important social issues and for representing the college well in consulting the Ministry of HRCTD.

Library Hosts Easter Egg Hunt for Day Care Students

On Wednesday, April 5th, 2023, the little students walked over with their chaperones to the PCC campus for a nice treat from the Tan Siu Lin PCC Library staff. Teachers lined them up and made sure they were ready for the fun egg hunt before giving the go signal. The kids screamed in excitement as they ran around the designated area in search of Easter goodies.

The Easter Egg Hunt is part of the T. S. L. PCC Library's outreach effort with the on-campus Palau Community Action Agency Day Care. The staff regularly plan out reading activities for the kids in an effort to promote literacy and love of reading at an early age.

Library Staff Train on Using Google Workspace

The Center for Teaching Excellence held a mini-training for the PCC library staff on Thursday, April 6th, 2023. The training was focused on making use of software applications to store and manage files. Instructional Media Specialist, Crystal Nacionales, delivered a training on Google Workspace and Paperwork. For Google Workspace, training participants were trained on installing and using Google Drive for Desktop to manage and back up files. Using Google Docs, Google Sheets, and Google Forms were also discussed during the training. The library staff were also introduced to installing and using a document management software, Paperwork. The mini-training ended with a brief discussion on how these software applications could be used to support library services.

The Center for Teaching Excellence was established in the spring of 2018. The purpose of the Center is to provide technology support to assist faculty when using information from the world wide web to support their teaching and student learning. The Center ensures that the college's staff and faculty continue to learn, develop, and build capacity in

ALUMNI SPOTLIGHT

Accrediting Commission for Community and Junior Colleges (ACCJC), the Commission Third-Party Comment

A third-party comment assists the Commission as it considers applications for candidacy, accreditation, or reaffirmation of accreditation. When an institution is undergoing a review, the Commission requires the institution's chief executive officer to notify the campus community and public of the opportunity for submission of third-party comments and the process for doing so. Any member of the college community or public may submit a third-party comment by completing the Commission's online third-party comment form, available via the institution's website or ACCJC's website. In order to ensure evaluation of applicable third-party comments by the peer review team, third-party comments should be received by the Commission staff no later than five weeks before the peer review team visit.

Palau Community College's Focus Site Visit is scheduled during the week of March 13, 2023. Should any member of the College community or the public who may wish to submit a third-party comment must complete the Commission's online third-party comment form available at <https://accjc.org/forms/third-party-comments/>. The third-party comment should be received by the Commission five weeks prior to March 13, 2023.
