On May 30, 2024, the Faculty Senate Association (FSA) of Palau Community College (PCC) hosted an appreciation event and retreat for faculty members, Academic Affairs staff, and Institutional Research and Evaluation Office personnel at Kuabes, Ngaraard. This event was a heartfelt gesture to recognize and celebrate the hard work and dedication of the faculty and staff who contribute to the institution's success. The day began early, with participants boarding the PCC bus at 8:30 AM, eagerly anticipating a day of relaxation and fellowship. The bus departed at around 9:00 AM, taking the group to the scenic location of Kuabes. Upon arrival, the morning was filled with various appreciation activities designed to promote teamwork and appreciation among colleagues. At 11:00 AM, everyone gathered for a potluck luncheon, where a delightful array of homemade dishes brought by the attendees was shared fostering a sense of togetherness. Following the luncheon, the retreat continued with engaging activities, including a friendly volleyball match and a lively karaoke session. These activities provided a perfect balance of physical activity and entertainment, allowing participants to unwind and bond in a relaxed setting.
