Palau Community College Endowment Fund

As part of PCC's quest to provide quality programs and services needed by the community, the College adopted a Vision Statement in 1996. The Vision: "We Guarantee Quality and Excellence." PCC also modified its existing Mission Statement and Unifying Principles which support the Vision Statement.

The College has continued to be driven by its goals of guaranteeing quality and excellence in the programs and services it provides; however, it has become apparent that in order to continue to do so, PCC must begin to secure its existence and financial stability in the future. As such, PCC has embarked on the development of a 10-Year Master Plan which will guide all aspects of the college activities.

One critical component of the 10-Year Master Plan is an Endowment goal of at least \$10 million by the year 2007. With an ultimate goal of a \$30 million endowment principle, PCC would be able to utilize the interest earned to help fund college programs and services, ensuring that Palau's only college continues to provide post-secondary education and vocational training to Palau and the Pacific region.

The Palau national government shares in this belief and has established, by way of enactment of law, the PCC Endowment Fund and contributed a sum of \$100,000. In addition, the PCC Board of Trustees have and continue to make personal contributions to help build up the Endowment. At the same time, 101 PCC staff have enrolled in a program whereby they contribute on a bi-weekly basis. That number is expected to increase even more this year.

While the College is grateful to see such support, it realizes that additional support and much greater contributions are needed in order to reach the critical goal of \$30 million. Therefore, the College is approaching all who share in our belief that education is an important factor in the quality of one's life and the society as a whole.

Please join us in our efforts to secure Palau Community College's continued existence and financial stability in the future. We are counting on your valuable support and contributions to help us so that we can strive to Guarantee Quality and Excellence in our programs and services.

SPECIAL BULLETIN

The College will be holding a swearing-in and induction ceremony for the newly elected Student, Trustee and Student Body Association (SBA) Officers and Senators today, November 5, from 2:00-3:00 pm at the Administration Square.

Faculty and students who do not have classes during this time are invited and encouraged to come and witness this special occasion for our student leaders.

We are confident of this new student leadership in their abilities to lead and guide the student body into the new millenium.

Come meet and offer your congratulations to these future leaders of our island nation.

Taiwan Relief Donation Boxes

PCC, in assisting the Republic's efforts to provide assistance to the victims of the recent Taiwan earthquake, have stationed donation boxes on campus to help raise funds for Taiwan.

Forty dollars and thirty-nine cents have been collected so far. The donation boxes are located in the college Bookstore and the front desk for those who would like to help. Thank you.

New PCC Policy Sets Requirements for Sporting League Participation

October 19, 1999, PCC President, Patrick Tellei signed a new policy that will set minimum requirements for PCC students who participate in any PCC sponsored sporting event.

The following is the policy in its entirety:

In order to ensure that PCC students stay focused on their educational goals and maintain good academic standings throughout their educational years here at PCC, the following policy is hereby adopted.

This policy sets forth minimum requirements for PCC students who participate in both community sporting leagues or scholastic leagues whereby PCC is sponsoring the league or sponsoring a team(s) in the league.

A. For PCC students to participate in any community sporting event or scholastic league which is sponsored by PCC, or PCC is involved in, the student(s) must first meet the following criteria:

1. A student must be in good academic standing with a cumulative GPA of 2.00 or above
2. A student must be in good disciplinary standing. Poor disciplinary standing includes current disciplinary warning, probation, restitution suspension, and dismissal.

B. Furthermore, any PCC student player(s) will be removed from a PCC sponsored team(s) competing in a community or scholastic league for:

1. Using alcoholic beverages or using illicit drugs during the games, or playing under the influence of alcohol or illicit drugs.
2. Physically assaulting another player, coach, manager, or official.
3. Failing to abide by the rules set forth by the Tournament Organizing Committee.
4. Failing to maintain good academic and disciplinary standing.

Post Mid-Term Wisdom From Some Students

- * Keep your hopes up and don't give up.
- * Use your time wisely.
- * While you're here, finish it!
- * Studying in college is a challenge, so give it your best effort.
- * Hello there....your life is in your hands so quit blaming the teachers. (Jacob Yangilmaw)
- * Studying in college is never easy but if you want a better life someday, you've got to keep at it.
- * Run the race and keep the faith
- * Let us be faithful and have all the strength to work this part of our life.....let us study hard to get better grades this semester.
- * The best gift you can give others and yourself is to work for the benefit of tomorrow.

- * Spend more time reading.
- * To pass your class and not fall behind, you've got to attend. Don't give up and drop out because we have the responsibility to further our education and serve our beautiful island of Palau.
- * Get help from your advisor, that's what they are there for.
- * Try hard and you'll be rewarded after.
- * Be PATIENT!
- * Don't skip class-it's better to be late than to not show up. Ask questions when you don't understand. See your instructor during his/her office hours for help. Don't be afraid to ask for help.
- * Someone out there is willing to help, all you have to do is ask.
- * Education is the key to success. If you want to be somebody someday, then stay in school and get your education.
- * Your future depends on the choices you make today.
